

*M*istle Dawn

understands classic style and her passion for art is evident in her wearable sculptures.

Mistle's inspiration for designing these couture pieces is her love of good literature and her appreciation of the fine craftsmanship of vintage books. Her enthusiasm for fashion, art and sculpture stimulates her original designs.

Signature M handbags are custom made by Mistle and her design team with special care and tremendous attention to detail.

The exterior of each masterpiece is outfitted with an endless assortment of appliques including a rare variety of specialty papers, prints, fabrics, leathers and touches. The interior of each bag is lined with fine fabrics along with a scented keepsake.

Signature M Collection is designed for women who want to own an original work of art. Every Signature M bag is furnished with a silver brass plate indicating the number, date and signature for authenticity. Never duplicated, mass produced or copied - that is our solemn promise.

#### HANDBAGS

Florentine Handbag

Florentine Handbag Rich multi-colored Florentine paper adorns the exterior of this handbag while the interior is lined with bright yellow tulle which allows words from the pages of the vintage book to shine through. Beautiful brass handles are fitted to the bag.

Peacock Handbag

Peacock feathers on a vintage book help create this classic limited edition handbag. Green velvet adorns the Asian script interior. The exterior is fitted with silver handles, hardware and closures. No two bags are exactly alike. Materials may vary based on availability. LP126, W2126, H66.

Birth of Venus Handbag

This classic Botticelli print is given new life by appearing as an exterior to this handbag. The interior is lined with a map of Italy and lovely tapestry fabric. This bag is also adorned with a wooden handle. LP126, W206, H66.

Orchid Handbag

Rich and tropical...this handbag takes you back to that summer island getaway.

Mauve Glittery Handbag

Go glam with this limited edition series! This mauve glittery bag has a Japanese inspired lining along with a silk dragonfly fabric to add fun and excitement. A gold brass snap and handle accents the exterior. Perfect for a special evening out. No two bags are exactly alike. Materials may vary based on availability. LP126, W226, H66, (not including handle).

**Each Signature W handbag is an individual with it's own story. Take a moment to listen.**

It's a tale with beginnings that lie in the origins of the vintage book that the bag was created from. The story is made richer by the rare and unusual materials each bag features: Asian silks, handmade papers from Nepal, Florence, and South America; vintage prints; jeweled accents; gold, silver, and copper gliding. On and on, the story goes.

Express your individuality and become a part of the story.

#### CLUTCHES

Gold Glittery Clutch

Go glam with this limited edition series! This gold glittery bag has a Japanese print lining along with red silk fabric to add fun and excitement. A gold brass snap and handle accents the exterior. Perfect for a special evening out. No two bags are exactly alike. LP126, W226, H66.

Not the Omnibus Handbag

This clutch was inspired by a previous one-of-a-kind designed bag called The Omnibus and like it predecessor only one clutch has been created! Look carefully at the brown and gold glided book. An image of the Statue of Liberty is peering through a layer of hot foil face paper showing the natural beauty of this book as above through. The interior lining has the feel of old weathered leather and the fabric is a bright fun floral print.

Ocean Clutch

Get relaxed with the only clutch of its kind! The Ocean Clutch. The exterior is adorned with clam shells, sand, coral pearls and coral or pearls. The spine is cushioned and has the short stories within. Embedded magnets allow the clutch to snap closed with ease. LP 126, W1126, H6126.
